

# MDC Approved Caterers

At MDC, we know that if a vendor's services are not top-notch, everyone suffers. Therefore, we require that groups use one of our approved caterers. We are constantly critiquing the services of the vendors on this list to make sure that only the most professional and dependable vendors are listed.

We have selected some of the top vendors in the Triangle area. We've worked to select caterers and event vendors with a proven reputation for excellence. These vendors have toured our facilities and are familiar with the logistics of working out of our space. This familiarity is important because vendors who know our space can

be effective, responsive, and reliable when it comes to delivering on-time, excellent results.

Should you desire to use a caterer not on this list, please ask them to contact our space rental coordinator for inclusion.

*Note: You are responsible for the contract(s) with any chosen vendor(s).*
